**RESPONDENT'S ASSENTED TO MOTION FOR ENLARGEMENT  
OF TIME TO FILE MEMORANDUM IN OPPOSITION TO  
PETITION FOR WRIT OF HABEAS CORPUS**

The respondent, with the assent of petitioner's counsel, respectfully moves this Court to enlarge the time in which to file a memorandum in opposition to the habeas corpus petition to February 18, 2005. On January 10, 2005, the petitioner filed an agreed upon scheduling order in which the respondent's opposition was to be due on February 10, 2005.

As grounds for the enlargement, the respondent's attorney states:

1. She recently completed a brief in the First Circuit in Rodriguez v. Spencer, 03-2139 on January 21, 2005, an opposition to a motion for stay of sentence in the Massachusetts Appeals Court on February 3, 2005, and a brief in opposition to a petition for certiorari in the U.S. Supreme Court on February 7, 2005. Undersigned counsel also had to prepare for a hearing in another habeas corpus case on January 24, 2005, in Clements v. Maloney, 03-10377.

2. Due to the lengthy record in this case and the four issues involved, the respondent will require additional time to adequately respond to the petition.

WHEREFOR, the respondent respectfully moves this Court to enlarge the time for filing

an opposition on the merits in the above-captioned petition to February 18, 2005. I have spoken with petitioner's counsel and he assented to this extension.

Respectfully submitted,

THOMAS F. REILLY  
ATTORNEY GENERAL
